## Welcome Rotarians, Guests and Speaker!

### Kim Learnard - Executive Director of The LINC

Kim Learnard is an engineer who has worked in a wide variety of manufacturing and workforce training capacities. She has worked for General Motors, Georgia Quick Start, and, most recently, West Georgia Technical College, where she rebranded, and launched a new website, for the entire college. In 2009, Ms. Learnard was elected to serve on the City Council of Peachtree City; she served two four-year terms. Her priorities included positive board relations, a balanced, sustainable budget, and building community partnerships to advance a pipeline of skilled workers into quality jobs. She began as Director of the LINC in January of this year.
