This week we welcome Seth Millican, Executive Director of the Georgia Transportation Alliance. The Georgia Transportation Alliance promotes long-term, growth-focused solutions and investment strategies across all modes of transportation. The Alliance works with the Georgia Chamber of Commerce, the Georgia Department of Transportation, and other key stakeholders in Georgia and in Washington, DC, with the goal of ensuring an efficient, safe and multi-modal statewide infrastructure system.

Come ask about what's in store for Georgia regarding all things transportation. Port question? Seth can answer it. High speed rail question? Have at it. Check it out!

Attendance

We have to do a better job of attending meetings. We average about 25-30 per meeting, with almost 90 members. That's simply not acceptable, particularly since we are paying for 45 meals. It's a waste of our money that could be going back into our pockets; or better, into the community. That's \$225 per week wasted multiplied by approximately 45 weeks per year. That's over \$10,000. It's a monumental waste by anyone's standards.
