Business as Missions in Kenya

This Friday, don't miss a presentation by the **Coweta Substance Abuse Prevention Coalition**.

The Coalition was formed in March of this year to combat the epidemic of opioid misuse, abuse and overdose in Coweta. Coweta was recently ranked 6th in the state for opioid problems. The Coalition is made possible by a grant from the Georgia Department of Behavioral Health. Goals are to reduce access to opioids in Coweta and to educate the community about how easy it is to become addicted to pain medication.

A town hall meeting, hosted by the Coweta Substance Abuse Prevention Coalition, will be held at the Nixon Centre on August 30.
